HASSO PLATTNER

OWNER

Hasso Plattner serves as the owner of Sharks Sports & Entertainment (SSE). A charter member of the local ownership group that purchased the San Jose Sharks from original owner George Gund III in 2002, Plattner became the organization's majority owner in 2010 and is currently the sole owner of the franchise.

A lifelong hockey fan, Plattner intently followed the game at the international level while growing up in his native Germany. An avid spectator of hockey's World Championships each year, he marveled at the exploits of the Soviet Union's powerhouse hockey teams in the late 1970's and early 1980's.

On a trip to the Bay Area as co-founder of SAP SE, the world's largest business software company, he distinctly recalls the moment his past and future collided while watching the Sharks play in 1993.

"The announcer says (Sergei) Makarov...(Igor) Larionov...(Johan) Garpenlov," Plattner recalled. "Not possible – I see two of the top players I watched for more than 10 years. And here they are."

And so began Plattner's affinity for the San Jose Sharks and hockey in the Bay Area.

His passion for the game of hockey and desire to win have been evident during his tenure as the Sharks majority owner. Under his stewardship, the team earned its first trip to the Stanley Cup Final (2016), made four appearances in the Western Conference Final (2010, 2011, 2016, 2019), and posted four 100+ point seasons.

Plattner affords General Manager Mike Grier the financial autonomy to spend to the NHL's upper limit of the salary cap and ensure the team has the resources it requires to scout, draft, and develop younger players while maintaining the financial stability to ensure the team can build a foundation to returning as a perennial playoff contender.

In addition, Plattner has provided resources for the organization's player development system to take major steps forward in several areas. Over the last several seasons since naming Grier as General Manager, the hockey staff has been significantly built out in several key areas, including analytics, scouting, development, and coaching, providing players the opportunity to learn from alumni who played the game at a high level to hone their craft and development.

Previously in 2014, he committed the financial backing to re-locate the team's American Hockey League (AHL) development affiliate to California in order to enhance the organization's ability to oversee and develop prospects. Along with that relocation came a large-scale, facility expansion at Sharks Ice at San Jose to house the AHL's San Jose Barracuda where the franchise opened the 2022-23 season at Tech CU, along with a major cosmetic modernization and renovation to the Sharks existing practice facilities. The expansion created two additional public ice sheets, making it the largest ice facility under one roof in North America.

Off the ice, Plattner has paid for many major upgrades to SAP Center, ensuring the venue remains a world-class facility despite being one of the oldest in U.S. sports.

Some of the large-scale projects include the installation of a permanent dehumidification system to ensure SAP Center is capable of maintaining the best ice conditions possible in the Bay Area's temperate climate, a brand-new center hung scoreboard which improves the venue's game presentation production prior to and during Sharks games, and a premium seating experience known as the Penthouse Lounge, which provides an exclusive, elevated viewing experience for all SAP Center events. These, and many other SAP Center improvements, were made without public subsidy.

Plattner's passions in life are sports, business and science. After co-founding SAP in 1972, he served as CEO until 2003. Until he stepped down in May 2024, he served as Chairman of the Supervisory Board and as Chief Software Advisor, where he concentrated on defining the medium and long-term technology strategy of SAP. Plattner also was the head of the Technology Committee of the SAP Supervisory Board for over two decades.

Plattner has received a number of honors recognizing not only his accomplishments in the business world but his significant track record in giving back to the community. In 2016, he was awarded the Prize for Understanding and Tolerance presented by the Jewish Museum Berlin, awarded to "individuals to honor their exceptional contribution to understanding and tolerance, the promotion of human dignity, the integration of minorities and the coexistence of different religions and cultures." In 2015, he was awarded the GABA Lifetime Achievement Award and in 2014 received the Leonardo European Corporate Learning Award in the Thought Leadership category.

In 2002, the University of Potsdam appointed him an Honorary Doctor, and in 2004, an Honorary Professor. In 1998, he was inducted into the German Hall of Fame, which honors those who promote economic and social development in Germany. In 1997, he received the Information Technology Leadership Award for Global Integration as part of the Computerworld Smithsonian Awards Program.

Plattner received his master's degree in communications engineering from the University of Karlsruhe. In 1990, the University of Saarbruecken awarded him an honorary doctorate and in 1994 he was granted an honorary full professorship.

Well known for his philanthropic efforts, Plattner is a leading private patron of education and research in science and technology. Following his retirement from day-to-day involvement in SAP, Plattner has devoted his time to the promotion of science, innovation and entrepreneurship, as well as to social and cultural projects.

In 2016, Plattner joined forces with art dealer Guy Wildenstein to form the Wildenstein Plattner Institute, a foundation dedicated to advancing art historical scholarship by fostering the accessibility, cataloguing, and digitization of primary sources. Plattner also helped in the establishment of the Museum Barberini, devoted to his holdings of modern and Impressionist art, as well as artists active in the former German Democratic Republic (GDR). In 2022, he opened Das Minsk, another private museum in Potsdam, which focuses on East German artists who were active after the fall of the Berlin wall.

Under the umbrella of the Hasso Plattner Foundation, he founded the Hasso Plattner Institute for Software Systems Engineering (HPI) in 1998 at the University of Potsdam in Germany, and expanded the HPI with a School of Design Thinking in 2007. He not only fully finances the HPI, but is also actively involved as a director, professor and lecturer in Enterprise Platforms and Integration Concepts.

In 2005, Plattner established the Hasso Plattner Institute of Design at Stanford University, informally called the Stanford d.School, which champions methods from the field of design to help people in every function across every industry become more innovative. The Stanford School has helped champion the world-wide adoption of Design Thinking, a formal methodology for tackling complex problems that goes beyond traditional brainstorming by re-framing the problem in human-centric ways.

In addition, Plattner has long been active in the fight against AIDS in South Africa.

SHARKS HOCKEY BIOS

Along with being a life-long hockey enthusiast, Plattner is an avid competitive sailor who has participated in numerous 5O5 World Championships, a race for high-performance two-person sailboats, as well as many offshore races. His top sports hero is Jesse Owens, the track and field star who captured four gold medals at the 1936 Berlin Olympics, and his top personal hero as Nelson Mandela for his ability to guide South Africa out of apartheid.

MIKE GRIER

GENERAL MANAGER

Entering just his third season as general manager of the San Jose Sharks, Mike Grier continues reshape the franchise from a struggling, once-perennial Stanley Cup Playoff contender into one of the most enviable up-and-coming teams in the National Hockey League.

Grier, 49, has overall authority regarding all aspects of the Sharks hockey-related operations, including overseeing all player personnel decisions, leading the club's player evaluation process at all professional, minor, and junior levels, negotiating player contracts, directing the club's on-ice coaching and off-ice support staffs, and managing the efforts of the team's scouting department.

Since being named the fifth general manager in Sharks franchise history on July 5, 2022 – and becoming the first Black general manager in the history of the National Hockey League – Grier has strategically reshaped the Sharks organization in nearly every conceivable area: administration, coaching, player development, and the team's NHL roster and prospect pool.

Shortly after taking over the role, Grier began the difficult but necessary process of re-stocking the organization's pipeline of talent, acquiring young player assets and draft picks in exchange for many of the team's existing veteran players, many of whom were playing on long-term and high dollar contracts. In his first two seasons, Grier made a series of high-profile trades to shed contract term and salary, parting ways with players such as Brent Burns, Timo Meier, Erik Karlsson and Tomas Hertl.

Those transactions, while difficult, allowed the team to bring in young players and prospects such as Fabian Zetterlund, Shakir Mukhamadullin, and the team's eventual 2023-24 leading scorer Mikael Granlund.

Perhaps most importantly through these transactions, Grier also acquired multiple first-round draft selections and used those picks to reinvigorate the team's pipeline into one of the top rated prospect pools in the NHL. In the 2022 and 2023 NHL Drafts, Grier and his staff selected Filip Bystedt, Will Smith and Quentin Musty in the first round. In 2024, the Sharks won the NHL Draft Lottery and were awarded the first-overall pick, selecting 2024 Hobey Baker Memorial Award winner Macklin Celebrini, and also selected defenseman Sam Dickinson at 11th overall.

While overseeing the team's three drafts, the Sharks have selected a total of 10 players in the first two rounds. The Sharks 10 selections, five players in the first round and five players in the second round, is behind only Chicago (13), Seattle (12), Utah and Anaheim (11) for most players selected in the opening two rounds since 2022. Currently, San Jose owns a pair of draft choices in the first two rounds of the 2025 NHL Draft (one first, one second), and four total picks in the opening three rounds.

Just prior to the start of the 2024-25 season, Grier packaged the return from the Hertl trade – forward prospect David Edstrom and Vegas' first round 2025 selection (top-10 protected) – to the Nashville Predators in exchange for hockey's top-rated goaltending prospect, Yaroslav Askarov, further enhancing the team's pipeline of players.

Prior to joining the San Jose organization in his current role, he was hand-picked by New York Rangers President and General Manager and former teammate Chris Drury to serve as a hockey operations advisor. In that role, Grier assisted Drury in hockey-related decisions and off-ice player development, and assisted prospects in the Rangers organization, including players with the Rangers' American Hockey League (AHL) affiliate, the Hartford Wolf Pack.

During the 2021-22 season, a rebuilding Rangers team experienced a 50-point improvement over their 2020-21 campaign, finishing with a 52-24-6 record and 110 points, a second-place finish in the Metropolitan Division (seventh overall in the NHL) and advanced to the Eastern Conference Final, before succumbing to the Tampa Bay Lightning in six games.

Grier also served on USA Hockey's selection committee for the 2022 World Championships, where he assisted in scouting, evaluating and selecting players for the U.S. team.

Grier served as an assistant coach with the New Jersey Devils for two seasons (2018-20). As a member of Head Coach John Hynes' staff, Grier worked directly with the forwards and assisted with the Devils special teams. During his two seasons with the Devils, New Jersey's penalty killing ranked third in the NHL (83.4%) and their net penalty killing percentage was second overall (87.4%). He was also responsible for pre-scouting the Devils opponents.

From 2014-18, Grier served as a scout with the Chicago Blackhawks, including their 2015 Stanley Cup Championship season. Grier focused on scouting amateur and professional players, including the team's prospects and prospective player acquisitions both at the NHL level and via the NHL Draft.

SHARKS HOCKEY BIOS

From 2013-17, Grier served as an assistant coach at St. Sebastian's Prep School in Needham, Mass. He has also been active in working on skill development with collegiate and high school hockey players in the Boston area (2011-2017).

As a player, Grier spent 14 seasons in the National Hockey League as one of the game's top defensive forwards and leaders. He amassed 1,060 NHL games with the Edmonton Oilers, Washington Capitals, Buffalo Sabres, and the Sharks, collecting 383 points (162 goals, 221 assists) along with 510 penalty minutes. He served as an alternate captain and as a member of the leadership group with each of his NHL teams. As a physical, penalty-killing forward annually in the conversation for the Frank J. Selke award, Grier helped establish a top unit on multiple teams, including a League-best penalty kill efficiency on San Jose in 2007-08 (85.8%), fifth-best in 2008-09 and he helped Buffalo achieve the second-best efficiency in 2009-10 (86.6%).

During his NHL tenure between 1996-2011, Grier tied for 11th amongst all NHL players with 20 short-handed goals. Despite the NHL not tracking advanced statistics until the 2005-06 season, Grier ranks 10th amongst all NHL forwards in blocked shots (315) and 33rd in hits (705) over the course of his career.

He initially joined the Sharks organization as a free agent on July 3, 2006 and over the next three seasons, appeared in 221 NHL games, recording 78 points (35 goals, 43 assists). As an alternate captain, Grier helped the Sharks reach the Stanley Cup Conference Semifinals in 2006-07 and 2007-08. He was also a member of the Sharks 2008-09 Presidents' Trophy-winning club that won 53 games and earned 117 points.

His best season with the franchise was in 2006-07 where he registered 33 points (16 goals, 17 assists) in 81 games and led the club in short-handed goals (three). He then added four points (two goals, two assists) in the 2007 postseason in 11 games, which included a two-point game where he scored a goal and assisted on the game-winning goal by Patrick Rissmiller in the second overtime of Game One of the Western Conference Quarter Final against the Nashville Predators, en route to a 4-1 series victory for the Sharks.

Originally selected by the St. Louis Blues in the 1993 NHL Draft (ninth round, 219th overall), Grier's rights were later traded to the Edmonton Oilers, along with goaltender Curtis Joseph, for St. Louis' first-round selections in the 1996 and 1997 NHL Drafts. Grier earned a spot on the Oilers roster directly after his collegiate career and never played a game in the minor leagues. Upon his NHL debut on Oct. 4, 1996, Grier became the first African American born and trained in the U.S. to play in the NHL.

Grier's teams appeared in the Stanley Cup Playoffs in 11 of his 14 NHL seasons, including advancing to the 2006 Eastern Conference Final, where Buffalo narrowly lost a seven-game series to Carolina. In 101 Stanley Cup Playoff games, Grier tallied 28 points (14 goals, 14 assists) and 72 penalty minutes.

Grier has also had a long-standing relationship as a player and a coach with USA Hockey, beginning with being selected to the 1995 World Junior Championship team. He was a member of the 1996 U-21 National team and captured a bronze medal at the 2003 World Championships, where he was named an assistant captain. Off the ice, Grier served as coach at the USA Hockey 17s Festival and the CCM All-American Prospects Game in 2014, was an assistant coach for the U.S. women's national team for the Winter Series vs. Canada (2016) and was a coach and a member of the selection committee for the U.S. women's national team Olympic evaluation camps (2015-2017) ahead of the 2018 Winter Games.

Prior to his NHL career, Grier played for Boston University over three seasons, compiling 120 points (59 goals, 61 assists) in 114 games. He helped lead the team to an NCAA Championship in 1995 and captured a Hockey East Championship in two consecutive seasons (1993-95). Following the 1994-95 season, he was named to the All-Hockey East First Team, selected to the Division I AHCA All-American Team, won the Walter Brown Award as the best U.S.-born collegiate player in New England, and was a finalist for the Hobey Baker Award, awarded to the top collegiate hockey player. Grier was selected as the BU's captain for the 1995-96 season but withdrew from the university to begin his NHL career.

Grier comes from a family embedded in the fabric of leadership, scouting and development in professional sports. His father, Bobby, is a long-time executive in the National Football League, with stints in scouting, player personnel and as an advisor with the New England Patriots and Houston Texans. He currently serves as a consultant with the Miami Dolphins. His brother, Chris, has served as general manager of the Miami Dolphins since 2016. Chris worked as a scout for Miami dating back to 2000, and previously worked in scouting with the Patriots beginning in 1995.

In 2022, Grier was named to the EBONY Power 100 List in the Business Disruptors category, recognizing the groundbreaking achievements and societal contributions of industry leaders championing for change across industries.

Grier, a native of Detroit, MI, and his wife, Anne, have three children: sons Jayden and Tristan, and daughter Brooklyn.

JOE WILL

ASSISTANT GENERAL MANAGER, SAN JOSE SHARKS / GENERAL MANAGER, SAN JOSE BARRACUDA

Joe Will begins his 14th season as assistant general manager for the San Jose Sharks and his 12th as general manager of the Sharks' American Hockey League affiliate (Worcester Sharks and San Jose Barracuda).

On Apr. 7, 2022, Will was named interim general manager for the Sharks, and handled the day-to-day duties as general manager in addition to his role as the assistant general manager until the hire of Mike Grier on July 5, 2022.

In San Jose, Will works closely with general manager Mike Grier on all daily departmental functions and his primary responsibilities include contract research and negotiations, scouting operations, fiscal planning, salary cap analysis and hockey administration. He's the lead coordinator and planner for the Sharks training camp, scouting meetings and scouting conference calls each season.

In addition, as general manager of the San Jose Barracuda, he oversees all of the hockey operations for the Sharks AHL affiliate, including player evaluation, player contracts, and player recall and reassignments.

In an effort to strengthen the organization's player development system and program, the Sharks relocated their American Hockey League affiliate to San Jose. Beginning in the 2015-16 season, the Barracuda became a part of the AHL's new Pacific Division and now play at Tech CU Arena, established in 2022. The move west eliminated the need to fly players across the United States in the event of recalls and reassignments, adding valuable rest and practice time. It also allowed for greater interaction and observation from San Jose's development coaches.

The relocation has paid immediate dividends. The Barracuda finished the 2016-17 season with the second-best winning percentage in the AHL (0.699%), winning the Bud Poile Trophy as the Western Conference regular season champions and the John Chick Trophy as Pacific Division champions, and earning an appearance in the Western Conference Final. In addition, the Barracuda held an AHL season-long winning streak of 14 games, paced the AHL in goals per game (3.44), ranked second on the power play (23.8%), eighth ranked penalty kill (83.3%) and had nine different players spend time on the Sharks roster, all while having the fifth youngest team in the league. The season marked one of the most successful campaigns in San Jose Sharks minor league affiliate history.

Moreover, individual feats highlighted the 2016-17 season; Troy Grosenick became just the fifth goaltender in AHL history to reach double-digit shutouts (10) earning him the Aldege "Baz" Bastien Award (goaltender of the year) and a First Team AHL All-Star nod; Danny O'Regan received the Dudley "Red" Garrett Memorial Award as the AHL's rookie of the year; and Tim Heed merited Second Team AHL All-Star honors.

All of these accomplishments occurred following a concerted effort by the front office to reinvigorate the organization's prospect pool, largely spearheaded, at the AHL level, by Joe Will. On top of the Barracuda players who were recognized with major awards, Roy Sommer was named as the AHL's Coach of the Year (Louis A.R. Pieri Award).

One of Will's most important duties involves the tracking, analyzing and projecting of the team's player payroll relative to the current and future National Hockey League salary cap to give the team the financial flexibility to ice a championship-caliber team each season.

Will, 58, also works with the organization's professional scouts and management team in player research for expansion, waivers, free agency and trades. His expert analysis of economic trends in the NHL has led to the Sharks acquisition and retention of several key veteran players over his time with the club.

Prior to his current roles, Will served as the team's director of hockey operations from 2004-2011. A member of the Sharks organization since the franchise's inception in July 1990, he has also previously served as assistant to the general manager and scouting coordinator.

The Bloomington, Minn. native also works with director of scouting Tim Burke in the development and implementation of draft prospect testing, draft table operations and computer scouting analysis. Will is an integral part of the team's draft-day strategy. Without his coordinating efforts, the team would not have drafted 2001 Calder Memorial Trophy winner Evgeni Nabokov in 1994. In addition, he developed the Sharks computer scouting program that pioneered the advent of scouting programs now used throughout the NHL.

Prior to joining San Jose, Will spent six years in the Minnesota North Stars organization in various capacities.

RYANE CLOWE

ASSISTANT GENERAL MANAGER

Ryane Clowe returns to the Sharks franchise in his first season as Assistant General Manager. Clowe will work closely with Grier and assistant general managers Tom Holy and Joe Will overseeing all aspects of the Sharks hockey operations department.

Clowe spent the last three seasons with the New York Rangers as senior advisor and hockey operations advisor to General Manager Chris Drury. In that role, Clowe assisted Drury in all areas of hockey operations, including scouting. The Rangers successfully made the post season the past two seasons, including reaching the Eastern Conference Final last year, before being eliminated by the eventual Stanley Cup Champion Florida Panthers.

Previously, Clowe spent the 2018-19 season as head coach for the Newfoundland Growlers but stepped down from the role due to health concerns. Between 2016-2018, he served as an assistant coach with the New Jersey Devils, working under John Hynes.

Clowe played in ten NHL seasons between 2005-2015, primarily with the Sharks. Drafted by San Jose in the sixth round (175th overall) of the 2001 NHL Draft, Clowe played in 423 games with the Sharks, posting 271 points (101 goals, 170 assists) and 567 penalty minutes. His 271 points place him 14th on the Sharks all-time scoring list and he ranks fifth all time in penalty minutes.

Clowe was also a prominent contributor on the Sharks Stanley Cup Playoff runs, adding 45 points (18 goals, 27 assists) and 97 penalty minutes in 68 postseason games. His 97 postseason penalty minutes are tops in franchise history and he ranks seventh in playoff points and 10th in postseason games played.

The rugged power forward finished his stellar career with the New York Rangers and New Jersey Devils between 2013-2015. In total, he appeared in 491 regular season NHL games, collecting 309 points (112 goals, 197 assists) and 618 penalty minutes.

TOM HOLY

ASSISTANT GENERAL MANAGER

Tom Holy enters his third year as Assistant General Manager, and will oversee the analytics department, staff budgeting and contracts. He will be the liaison between the Sharks Hockey Operations and Business departments, along with the NHL scheduling for the team.

2022-23 SEASON IN REVIEW

SEASON HIGHLIGHTS

- **Erik Karlsson** became the sixth NHL defenseman to reach the 100-point mark, joining Bobby Orr, Paul Coffey, Denis Potvin, Al MacInnis and Brian Leetch in the exclusive club. He capped his chase to the century mark with a two-goal effort at Winnipeg (April 10) to hit 100 and completed the season with 101 points, tied for the 13th-most by a defenseman in NHL history, after notching an assist in the season finale at Edmonton (April 13). The Swedish blue-liner factored into 101 of 233 goals on the season for the Sharks (43.35%), narrowly edging Orr (1969-70; 43.32%) for highest single-season percentage in the NHL's modern era (since 1943-44). Karlsson, who concluded the year with 30 multi-point games - one of four defensemen in league history to achieve the feat - finished with the second-most points in a season in team history, and rewrote the records for Sharks defensemen, completing the campaign with the most assists (76) and points (101) in a single season. Karlsson registered a 14-game point streak from Dec. 3 through Jan. 6 (2g, 20a) is the longest in club history. Karlsson, who appeared in all 82 games for the fourth time in his career and first since 2015-16, finished the season as the Sharks' leader in assists and points, the NHL defense leader in goals (25), assists and points and was fourth in the league in even strength points (74). On April 10 in Winnipeg, Karlsson scored 20 seconds into the first period to mark the 1,000th goal scored by a defenseman in franchise history.
- Sharks captain **Logan Couture** recorded a career-best five points (2g, 3a) on Jan. 28 at Pittsburgh. The captain found the scoresheet in each period (1a in 1st Pd. - 2a in 2nd Pd. - 2g in 3rd Pd.) and scored the game's final two goals, including the third period game-winner. This marked the ninth five-point game in franchise history, and first on the road in almost 20 years (last: Owen Nolan, 1g, 4a on March 10, 2003 @ VAN). All five of Couture's points came at even strength, matching the franchise record for even-strength points in one game. Couture finished second on the club in goals (27) and points (67) and is tied for second-most assists (40) on the year. His 27 goals tied for his most since 2017-18 and his 67 points tied for the second most he has ever had in a season (behind 2018-19 [70] and tied with 2014-15). His 46 even strength points on the year represented the second-best total of his career, four shy of his best of 50 set in the 2018-19 campaign. Post All-Star break, the captain was second on the Sharks in scoring and led the forward group with 25 points. On April 10, Couture became the fifth player from the 2007 NHL Draft, and needed the fourth-fewest games, to reach 700 career points when he recorded an assist in Winnipeg. The captain scored the game-winning overtime goal on March 30 against Vegas after intercepting a pass from Golden Knights defenseman Alex Pietrangelo. He enjoyed a six-point (2g, 4a) run in a four-game home stand from March 11-18 and added a helper in the Sharks' March 20 tilt at Edmonton as well as a goal March 25 against Calgary. On Feb. 20, he scored his 20th goal of the season with an unassisted marker against Seattle. This marked the 10th time in his career that he has hit the 20-goal threshold, all with the Sharks. Only Patrick Marleau (14) has recorded more 20-goal campaigns in teal. He notched his 50th point of the year on March 2 vs. St. Louis, making him one of only four players in team history to have nine or more 50-point seasons (Joe Thornton-12, Marleau-11, Joe Pavelski-10).
- In the final six weeks of the year, 11 different skaters joined the Sharks roster to play their first game for the club on the season (**Andrew Agozzino**, **Thomas Bordeleau**, **Kyle Criscuolo**, **William Eklund**, **Danil Gushchin**, **Nikolai Knyzhov**, **Jacob Peterson**, **Derrick Pouliot**, **Adam Raska**, **Tristen Robins**, **Henry Thrun**), combining for 24 points (8g, 16a) in 69 games.
- **Alexander Barabanov** enjoyed a career year on the offensive end, setting personal bests in every offensive category including goals (15), assists (32), points (47), power play points (12), power play goals (three) and shots on goal (120). He also set a career-long, six-game point streak (2g, 4a) from Dec. 31 through Jan. 11.
- Highlighted by the thrilling come-from-behind win over Winnipeg on March 6, a game in which San Jose tied the game with fewer than 11 seconds left and went on to seal the game in overtime, the Sharks completed the season with come-from-behind efforts in nine of 22 wins on the year. Coming out of the All-Star break San Jose defeated Tampa Bay in overtime after trailing 3-1 at the end of the first period. They became the first team to beat the Lightning when trailing after the first period (prev. 20-0-0). On Jan. 18, the Sharks overcame a three-goal hole (trailed 3-0 in the second period) en route to a 5-3 win over Dallas, marking the team's fourth-ever regulation win when trailing by three or more goals and first since the 2010-11 season. San Jose's comebacks in each contest of a three-game win streak Nov. 11 at Dallas (trailed 1-0), Nov. 13 at Minnesota (trailed 2-0) and Nov. 15 at Vegas (trailed 1-0 and 2-1) represented the first time since March 14 through 17, 2018 that the Sharks earned three consecutive come-from-behind wins in one road stint.

2021-22 SEASON IN REVIEW

SEASON HIGHLIGHTS

- **Timo Meier** set NHL career highs in nearly every offensive category, finishing the 2021-22 campaign with 76 points (35 goals, 41 assists) in 77 games. The winger led the Sharks in goals and points, ranked second in assists and ranked second among club forwards in time on ice per game (19:09, a new career high). Among NHL skaters, Meier ranked third in the NHL in shots (326). He factored in on more than 36% of all of San Jose's goals this season. On Feb. 5, he was named to the 2022 Honda NHL All-Star Game. Meier posted single-season records among Swiss-born skaters in goals and power-play goals (12). With a three-point (2g, 1a) night on Feb. 17 against Vancouver, Meier became the fastest Swiss-born skater to ever reach 50 points in a season, doing so in just 43 games played.
- On Jan. 17, Meier set a new franchise record for goals by a player in a single game after recording five goals against the Los Angeles Kings. Per NHL PR, Meier also became the first Sharks skater, and fifth player in the last 50 seasons, to score five or more goals within the first two periods of a game. He joined Peter Bondra (Feb. 5, 1994), Joe Nieuwendyk (Jan. 11, 1989), Dave Andreychuk (Feb. 6, 1986) and Bryan Trottier (Feb. 13, 1982).
- **Tomáš Hertl** had a landmark season in 2021-22. Along with signing an eight-year contract extension with the Sharks on March 16, the center set multiple personal and franchise milestones. On March 26, Hertl collected a pair of assists on Timo Meier goals to reach 200 NHL assists on his career. On March 30 at Arizona, Hertl appeared in his 569th NHL game to pass Owen Nolan (568) for sole possession of 10th on the franchise's all-time games played list. The next night, he recorded a pair of assists against Colorado to pass both Jeff Friesen and Dan Boyle (201) for eighth on the franchise's all-time assist list.
- 18 different rookies played for the Sharks in 2021-22, a new franchise record and tied for the ninth most by any team in a single season, per NHL PR. This also marked the 14th instance of a team dressing 18 or more unique rookies while boasting 400 or more rookie games played in a season.
- **Thomas Bordeleau** made his NHL debut on April 17 at Minnesota, recording his first career point (assist) in the first period on a goal by Rudolfs Balcers. He became the third rookie to record a point in their NHL debut this season, joining William Eklund (1a) and Jasper Weatherby (1g, 1a). Bordeleau started his career with an assist in three consecutive games from April 17-21. On April 24 at Vegas, Bordeleau scored the shootout-deciding goal on his first career attempt. In doing so, he became the 33rd player in NHL history to score their first shootout goal before their first NHL goal and 15th player to score their first shootout-deciding goal before their first NHL goal, per NHL PR.
- On Feb. 27, **Scott Reedy** and **Jonah Gadjovich** each scored their first career NHL goals to become the first Sharks teammates to do so in the same game since Dec. 28, 2019 (Mario Ferraro and Joel Kellman) and seventh in franchise history. Eight different members of the Sharks scored their first NHL goals this season, tied for the most for the franchise since their inaugural season in 1991-92 (10). Gadjovich, **Ryan Merkley**, **Jake Middleton** and **Jasper Weatherby** were also on the ice for Reedy's first career goal. Per NHL PR, this marked the first instance in franchise history that the Sharks scored a goal with five rookie skaters on the ice.
- San Jose led the NHL in number of rookies to appear (18), number of rookie games played (458, second most in franchise history), number of NHL debuts (11, tied with ARI) and number of rookies to record points (14). San Jose's 30 goals and 94 points by rookies this season were the most for the club since 2010-11 (43) and 2006-07 (130), respectively.

2020-21 SEASON IN REVIEW

SEASON HIGHLIGHTS

- **Patrick Marleau** broke the all-time games played record on Apr. 19, 2021 in Vegas, which was previously held by Gordie Howe who held the distinction since Nov. 26, 1961 when he became the first player in NHL history to reach 1,000 games played.
- Marleau also became the second player in NHL history to reach 1,600 games with one franchise
- **Doug Wilson** served his 1,300th career game as General Manager for the Sharks Franchise against the Minnesota Wild on Mar. 29, 2021. He became the 20th GM in league history to reach the milestone mark and the 15th to do so with one franchise. Additionally, he is also just the third GM in NHL history to serve at least 1,300 games and appear in 1,000 games as an NHL player.
- The Sharks appeared in eight shootouts, which was the most in the league in 2020-21 (tied with Dallas), and earned a 5-3 record in the games. Nashville was the only other team to earn at least five wins in the shootout
- For the second straight season, the Sharks had nine players make their NHL debut in 2020-21, and is the most in a two-year span since the franchise's first two years of existence (20 players, 13 in 1991-21, 7 in 1992-93).
- **Sasha Chmelevski** (Huntington Beach, CA) made his NHL debut on Feb. 5, 2021 against Anaheim, becoming the fourth California-born player to play in a game for the Sharks and marked the first time in Sharks franchise history (regular season and playoffs) in which two California-born players suited up for the Sharks in the same game (**Matt Nieto**).
- **Martin Jones** backstopped the Sharks to a series sweep against the Kings (2-0) Mar. 22-24, stopping 83-of-86 (.965) shots with consecutive 40+ save efforts. He was the first Sharks goaltender to post consecutive 40+ save games since Arturs Irbe did so from Apr. 8-10, 1993.

SAN JOSE BARRACUDA BIOS

JON GUSTAFSON

President/SVP Governor

Jon Gustafson is Senior Vice President of SAP Center at San Jose & Sharks Ice, LLC and serves as the Governor for the San Jose Barracuda of the American Hockey League (AHL).

In his role at SAP Center, Gustafson oversees all areas of building operation including facility engineering, technical services, building services, guest services, merchandise, food and beverage operations, and more. Gustafson has been with Sharks Sports & Entertainment (SSE) for nearly 25 years, having also served as Vice President of SSE's public ice facilities (Sharks Ice at San Jose, Sharks Ice at Fremont, and the Oakland Ice Center), and Vice President of the Worcester Sharks.

In his time as General Manager of the public ice facilities, Gustafson played a significant role in growing the game of hockey throughout the Bay Area. This growth is exemplified in the vision and planning behind multiple expansions of the Sharks Ice at San Jose facility, which went from a two-rink complex, to four rinks, to, most recently, a six-rink complex featuring the state-of-the-art, 4,500 seat Tech CU Arena that opened in time for the 2022-23 AHL season. This most recent expansion project makes Sharks Ice at San Jose the largest ice facility in North America at over 400,000 sq ft.

Additionally, Gustafson is responsible for expanding the Sharks Ice Brand to both Fremont, Calif. and Oakland, Calif. adding a 1-rink facility in Fremont (Sharks Ice at Fremont) and a 2-rink facility in Oakland. Gustafson is also currently leading significant discussions to expand the Sharks Ice brand into Gilroy, Calif.

Furthermore, Gustafson started the Jr. Sharks Youth hockey program at Sharks Ice at San Jose in 2000.

With the AHL, Gustafson helped grow the League exponentially. After being named Vice President of the Worcester Sharks in 2013-14, Gustafson became the franchise's representative on the AHL's Board of Governors. In 2017, he joined the AHL's Executive Committee and, in 2019, was voted Chair of the AHL Executive Committee.

In 2015, Gustafson's leadership helped guide the birth of the AHL's Pacific Division, which saw six teams relocate from the East Coast to California, including the Worcester franchise to San Jose which was renamed as the Barracuda. Currently there are 10 teams in the Pacific Division.

In 2021, Gustafson was recognized by the AHL with the Thomas Ebright Award, presented annually to one AHL executive who has made outstanding career contributions to the League.

Early in his career, Gustafson served as General Manager and Vice President of Operations for the San Jose Rhinos of Roller Hockey International (RHI). The team, which played its home games at SAP Center, won the Murphy Cup as league champions in 1995 and Gustafson was named RHI "Executive of the Year" in 1999.

A former goaltender, Gustafson spent five seasons playing with various teams in the AHL, ECHL, CHL, WCHL and IHL. On April 15, 1992, he dressed as the back-up goaltender to Grant Fuhr for the Toronto Maple Leafs at Maple Leaf Gardens in a 4-2 win over the New York Rangers. The Fort Frances, Ontario native also played collegiately for four seasons at Colorado College earning a BA in Economics with a minor in Biology.

Jon and his wife Staci have two sons Luke (18) and Jake (16) and reside in San Jose.

JOHN McCARTHY

Head Coach

In 2024-25, John McCarthy enters his third season as the head coach of the Barracuda. He was named to the role on May 18, 2022, replacing Roy Sommer who served as the head coach of the Sharks' top affiliate for 24 seasons.

On Dec. 27, 2019, McCarthy made his coaching debut with the Barracuda as an assistant against the Stockton Heat after announcing his retirement from pro hockey earlier in the day. On Dec. 10, McCarthy suffered an Ischemic stroke due to a previously undetected hole in his heart. Following swift medical attention from the team's medical staff and the physicians at Kaiser Permanente, McCarthy was stabilized and has made a complete recovery.

In 2019-20, McCarthy was named the winner of the Fred T. Hunt Memorial Award, which is given to the AHL player who best exemplifies the qualities of sportsmanship, determinations and dedication to hockey.

McCarthy, who was selected by the Sharks in the seventh round of the 2006 NHL Draft, holds all major Barracuda franchise records including games played (275), goals (62), assists (76), points (138), and shorthanded goals (5). He served as Barracuda team captain from 2016-20 and also served as team captain for the Worcester Sharks for the 2012-13 season.

In 577 career AHL games with Worcester, Chicago, and San Jose, he has collected 297 points (130 goals, 167 assists), 233 penalty minutes and a plus-62 rating. He also posted 11 points (three goals, eight assists) in 27 playoff games with the Barracuda over a four-year stretch before his retirement.

In addition, McCarthy skated in 88 NHL games with the Sharks between 2009-2016, accumulating six points (three goals, three assists) and 22 penalty minutes.

In total, McCarthy appeared in 640 regular season games with San Jose's NHL and AHL franchises. In 2018, McCarthy was selected to the United States Men's Olympic Ice Hockey Team, appearing in five games at the Pyeongchang Olympics.

Prior to his professional career, McCarthy spent four seasons at Boston University where he won a 2009 National Championship as one of the team's co-captains.

John resides in San Jose with his wife Aaron and son Jack.

SAN JOSE BARRACUDA BIOS

KYLE HAGEL

Assistant Coach

Hagel enters his third season as an assistant coach with the San Jose Barracuda in 2024-25. He spent the previous five seasons as an assistant coach with the Seattle Thunderbirds of the WHL after a nine-year pro-playing career between the ECHL and AHL. Hagel, who played mostly left-wing as a player, spent four years at Princeton before beginning his pro career. During his nine seasons as a professional, he spent time with the AHL's Rockford IceHogs, Peoria Rivermen, Hamilton Bulldogs, Portland Pirates, and Charlotte Checkers, amassing 43 points (15 goals, 28 assists) and 1,001 penalty minutes in 373 games. In the ECHL, he skated in 80 games between the Fresno Falcons, Reading Royals and Las Vegas Wranglers, totaling 28 points (14 goals, 14 goals).

The native of Hamilton, Ontario, won the 2015 Yanick Dupre Memorial Award, which is given out annually to the AHL's man of the year for service to his local community.

Before his time in Everett, he coached four seasons as an assistant coach at the University of Alaska-Anchorage and the five campaigns before that as an assistant coach with the ECHL's Alaska Aces.

Mass, who was a defenseman as a player, skated four years in the USHL between the Rochester Mustangs and Lincoln Stars, winning a Clark Cup with Lincoln in 1997. After the USHL, he played four seasons at Bowling Green State University before turning pro. His pro career spanned five years in the ECHL with the Pensacola Ice Pilots, Pee Dee Pride, Louisiana IceGators and Alaska Aces, winning a Kelly Cup in 2006 with the Aces. Before his time with U.S. Hockey, Leroy spent 22 years as the head equipment manager for the NHL's Columbus Blue Jackets, a position he held from the franchise's inception in 2000 until his departure in 2022.

Prior to his tenure in Columbus, Leroy worked on the Florida Panthers' equipment staff from 1993 to 2000 and served as the head equipment manager for the IHL's Kansas City Blades from 1990 to 1993. The Blades, the top affiliate of the San Jose Sharks during his final two years with the team, won the Turner Cup as IHL Champions in the 1991-1992 season.

While working for the Blades, Leroy notably served as the team's backup goaltender for a game in Salt Lake City, while still performing his equipment duties, after Arturs Irbe was called up to the Sharks last minute and the team had no alternative solution.

While still working for Dan Boothby Performance Training, Llanes assisted the Buckingham Browne and Nicholas Prep School hockey programs. For the 2015-16 school year, she was a grad assistant strength and conditioning coach for Northeastern University Athletics, and from 2016-17, she was the head strength and conditioning coach and assistant coach for the New England Hockey Club (Junior Woman's Hockey League). From 2015-17, she was the head strength coach and on ice development coach/evaluator for Massachusetts Hockey Development under the umbrella of the USA Hockey. 2023-24 IN REVIEW

In 2023-24, the Barracuda set a franchise record by deploying 53 players, including a record 39 forwards and 20 defensemen. Of the 52, 36 were in their first full season within the organization, and nine of the 53 were drafted by the Sharks. Twelve were acquired via trade, 11 made their AHL debuts during the season, and 23 were considered rookies.

Of the 20 players who were in the lineup for the Barracuda on opening night in October, 15 remained on the roster at the end of the year. Sixteen different players spent time between the Barracuda and the Sharks, and three made their NHL debuts during this past year (**Magnus Chrona**, **Shakir Mukhamadullin**, **Georgi Romanov**).

The Barracuda finished the year with a record of 24-34-10-4, earning 62 points (AHL: T-29th, WC: T-15th, PAC: 10th) and were held out of the postseason for the third consecutive year.

Star Bright: Although the AHL is a national league, spanning over two countries, 15 states, and five provinces, teams can be quite regional, only going out of their division on a handful of occasions. For context, the Barracuda played the Charlotte Checkers in 2023-24, the first-ever meeting against an Eastern Conference opponent in the team's nine-year history. The AHL All-Star Game and Skills Competition is the league's marquee event, broadcasted internationally on AHLTV.com, in the US on the NHL Network, and in Canada on TSN. It's the only chance for every team in the league to be represented by players and staff under the same roof. Tech CU Arena, the home of the Barracuda, was the perfect site for the event on Feb. 4-5, 2024. It was just the second time in the AHL's nearly 90-year history, and the first time since 2020 in Ontario, that the event was held in California. With the Barracuda's initial All-Star selection, D**anil Gushchin**, out with an injury, **Shakir Mukhamadullin** was added to the Pacific Division's roster days before. At the time, he was still up with the Sharks in the NHL. With inclement weather affecting flights all along the West Coast, several players were delayed getting into San Jose, including Mukhamadullin. After multiple flights, including an unscheduled layover in Los Angeles, Shak managed to make it to Tech CU Arena halfway through the Skills Competition on Sunday. After receiving a standing ovation from the home crowd, he jumped right into the breakaway competition and scored. The next night he'd help Team Pacific win the three-on-three All-Star Challenge.

The Gush is Loose: No one on the Barracuda finished hotter than sophomore forward **Danil Gushchin** who collected goals in his final four games, which included seven points during that span (4+3=7), and notched points in 11 of 12 (6+10=16) to wrap up the year with the Cuda (6+10=16). Despite playing in 11 fewer contests than he did in 2022-23, Gushchin recorded 11 more assists and nine more points in the AHL. He also surpassed his franchise record in shots (209) which ranked T-sixth in the AHL. The Yekaterinburg, Russia native's 0.96 points-per-game is the third-best in a single season in Barracuda history (minimum of 20 games). Among SJB skaters, he ranked first in shots, T-first in power-play goals (6), and game-winning goals (4), second in goals (20), and points (54), and T-third in assists (34). Named to the All-Star Game in February, Gushchin was unable to participate with an upper-body injury that held him out for 13 games. In addition to his 56 contests in the AHL, Gushchin skated in four games with the Sharks, posting two points (1+1=2). He was called up to the Sharks at the end of the year and played the team's final two games.

Todd's Time: In his first season with the Barracuda, **Nathan Todd** led the team in scoring (55) and assists (36), and ranked T-first in power-play goals (6), second in games played (69), points-per-game (.80), and shots (185), and third in goals (19). Todd, who tore his ACL last year while with the Springfield Thunderbirds, set career-highs in 2023-24 in games, goals, assists, points, power-play goals, and shots. On Feb. 2, he collected his 100th AHL point (goal) in a 2-1 win over the Abbotsford Canucks and three games later notched his first AHL hat trick in a 4-2 victory over the Bakersfield Condors. After notching just one goal and four assists through the first 15 games, Todd would go on to collect 18 points and 32 assists over his next 55 including two seven-game point streaks.

Coles Notes: In his first season with the Barracuda, **Cole Cassels** set career-highs in power-play goals (6) and shots (106). Additionally, he skated in the second-most games of his career (67), and notched the second-most goals (11), assists (34), and points (45). Among SJB skaters, he was T-first in power-play goals (6), T-third in assists (34), and third in points (45). On Feb. 21, he collected a pair of assists in a 4-5 loss at the Coachella Valley Firebirds and the first of the two helpers was his 200th AHL point.

Full Deck: Ethan Cardwell finished his rookie season with a team-high 23 goals and 71 games played. His 23 goals matched the most by a rookie in franchise history and his 71 games played matched the most played in a season by any player. The Courtice, Ontario native would have played all 72 games had it not been for his gear not making it on a team flight to Calgary in early November. Among AHL freshmen, he finished fourth in goals, T-fifth in shots (165), and T-ninth in points (43).

Jacked Up: On March 7, the Sharks acquired a 2024 third-round selection and defenseman **Jack Thompson** from the Tampa Bay Lightning in exchange for forward Anthony Duclair and San Jose's 2025 seventh-round selection. Thompson, who was an AHL All-Star this season with the Syracuse Crunch, finished his outstanding sophomore campaign first among AHL defenders in power-play points (24) and power-play assists (21), T-sixth in assists (35), and T-seventh in points (41). After the trade to San Jose, Thompson skated in 16 games with the Cuda, totaling nine points (1+8=9). In addition, he dressed in two games with the Sharks at the end of the season. The native of Courtice, Ontario, made his NHL debut with the Lightning on Jan. 6, 2024, at the Boston Bruins.

2022-23 IN REVIEW

Shak Attack: The Barracuda's Team MVP and Top Prospect, as voted on by the media, **Shakir Mukhamadullin** put together an outstanding first season in North America in 2023-24. The Ufa, Russia native made his NHL debut on Jan. 27 versus the Buffalo Sabres and two games later collected his first NHL assist in Anaheim against the Ducks. In February, he represented the Barracuda in San Jose at the 2024 AHL All-Star Classic presented by Tech CU. In 55 games with the Barracuda, he led all team defenders in scoring, assists, and shots.

Sabs Sizzling: The team's Most Inspirational Award winner, Scott Sabourin, did a little bit of everything for the Barracuda in 2023-24, his first in the organization. The 11-year pro set personal bests in games played (59), goals (18), penalty minutes (192), power-play goals (5), game-winning goals (3), and shots (140). Among Cuda skaters, he ranked first in PIMs, second in power-play goals, fourth in goals, and fifth in shots. In the AHL, he ranked third in penalty minutes (192) and minors (36).

Fresh Frisch: In his first season of pro, Ethan Frisch finished with a team-best plus-17 rating. On Jan. 16, the Moorehead, Minnesota native notched his first pro goal, which turned out to be the game-winner in a 3-0 victory versus the Calgary Wranglers. Frisch also dropped the gloves on three separate occasions, tying for the team lead in fighting majors among defenders, and ranked second in penalty minutes (41) among team rear-guards. After sitting out 16 of the team's first 24 games, Frisch became a regular in the lineup, skating in the final 46 of 47 to finish out the year.

Fil the Thrill: Sharks' 2022 first-rounder Filip Bystedt recorded seven points (4+3=7) in eight games with the Barracuda at the end of the year after finishing up his season in Sweden. The 20-year-old collected three points (2+1=3) in his AHL debut on April 3 in San Diego, becoming just the third player in franchise history to score three points and two goals in his AHL debut.

Trade Winds: The Sharks and Barracuda executed multiple trades this season that significantly impacted the Barracuda's roster:

November 8: The Sharks traded forward Adam Raska to the Minnesota Wild for defenseman Calen Addison. Before the deal, Raska had skated in seven games with the Barracuda and 110 over the last three seasons.

December 15: The Sharks dealt defenseman Nick Cicek and a 2024 sixth-rounder to the Vancouver Canucks in exchange for forward Jack Studnicka. Studnicka played in 17 games with the Sharks, collecting zero points, and 27 games with the Barracuda, scoring six goals and adding eight assists.

March 8: The Sharks traded defenseman Nikita Okhotiuk to the Flames for a conditional 2024 fifth-round pick. Okhotiuk played in five games with the Barracuda at the beginning of the year on a conditioning stint.

January 23: The Barracuda acquired forward Jordy Bellerive from the Lehigh Valley Phantoms for future considerations. On March 15, Bellerive was traded to the Syracuse Crunch for forward Joe Carroll.

March 8: The Sharks sent Barracuda captain Radim Simek to the Red Wings for forward Klim Kostin.

February: The Sharks terminated defenseman Leon Gawanke's contract, allowing him to return to his native Germany.

March 16: The Sharks loaned 2022 first-rounder Ozzy Wiesblatt to the Milwaukee Admirals for the remainder of the season.

December 11: The Barracuda signed veteran forward Kyle Rau to an AHL contract for the remainder of the season. Rau notched 30 points (7+23=30) in 48 games with the Barracuda.

Gone But Not Forgotten: On January 16, Sharks Sports & Entertainment and the San Jose Barracuda announced the sudden and shocking loss of Frank Torres, vice president of Barracuda business operations, who passed away suddenly on January 15 after a brief illness. Frank was an integral part of the Barracuda, overseeing all aspects of the team's business operations. His supportive and empowering leadership style gave his employees the tools and confidence to succeed. He was dedicated to the AHL, having spent 15 years in the league at three different stops. Frank's legacy and impact on those who knew him and worked for him will never be forgotten.

Three's Company: The Barracuda relied on three different goaltenders throughout the season: Magnus Chrona, Georgi Romanov, and Eetu Makiniemi. Chrona and Romanov played in three different leagues (NHL/AHL/ECHL) during the campaign. Romanov led the team in wins (9), save percentage (.904), and tied with Makiniemi in goals-against average (3.14). Despite playing in the fewest games of the bunch, Makiniemi led the goalie room in shutouts, including two in his final five games. On March 20, in relief, Makiniemi made a franchise-record 22 saves in the third period, leading to a 6-4 win.

FUTURE FISH

In 2023-24, the San Jose Sharks had 16 players on their roster that played in the AHL within San Jose's development system. Since the San Jose Sharks entered the National Hockey League in 1991, over 200 players split their seasons in the NHL and their top minor league affiliate. The following is a season-by-season list of players who've split their season between the Sharks' top minor league affiliate and San Jose.

Note: "GP" indicates the number of games played with the San Jose Sharks that season.

GENERAL INFORMATION

SAP CENTER AT SAN JOSE

NORTHERN CALIFORNIA'S TOP ENTERTAINMENT VENUE

SAP Center at San Jose continues to be the premier sports and entertainment venue in Silicon Valley and the crown jewel of a thriving and evolving downtown San Jose. With its distinguishing 10-story glass pyramid entry and unique stainless-steel façade, the facility has provided a distinct identity for the City of San Jose for almost 30 years. Located in the heart of Silicon Valley, SAP Center is an exemplification of the architectural excellence and technological innovation that defines the area.

Ahead of the 2023-24 season, the San Jose Sharks announced newest premium seating experience at SAP Center - the Penthouse Lounge. The Penthouse Lounge offers a dynamic seating experience for members that includes the premium amenities of a suite with the added bonus of a semi-private lounge. Ideal for friends, family, or clients, the Penthouse Lounge is sold to members as four to six-person theater boxes that will provide a perfect social experience for all. Featuring an all-inclusive food and beverage experience from a chef-inspired, rotating food menu that includes access to a diverse assortment of beer, wine, and spirits, members have access to a private bar and a versatile space created for communal dining or semi-private entertainment. Penthouse Lounge Ticket Holders will have access to a variety of events at SAP Center including all Sharks Game, and select access to concerts, family shows, and more. Construction of the newest addition was handled by Devcon.

SAP Center also replaced the center hung video board and halo displays that were installed in 2007 ahead of the 2022-23 season. The new Daktronics center-hung video board halo displays move from an 18.9 mm Pixel Pitch LED board to a 5.9 mm Daktronics Pixel Pitch board that has four times the pixels. The new board is approximately nine feet taller and 15 feet wider than the previous board but weighs the same and can demonstrate continuous content throughout the board which is unique. Additionally, the new center-hung board has under belly displays to enhance viewing for people sitting in the first several rows of the lower bowl including glass seats.

Home to the San Jose Sharks of the National Hockey League and Bay Area Panthers of the Indoor Football League, SAP Center at San Jose continues to be recognized as one of the biggest economic generators for the City of San Jose . In 2016, the Silicon Valley Business Journal estimated that one regular season Sharks game contributes more than $2M to the local economy. Over the last ten years, SAP Center's economic impact on the City of San Jose has been almost $4 Billion.

At a media event in May 2015, Sharks Majority Owner Hasso Plattner, City of San Jose Mayor Sam Liccardo, and former Sharks President John Tortora proudly announced an extension of the lease agreement between the Sharks and the City of San Jose, paving the way for the franchise to stay in San Jose for 25 years through 2040.

Pollstar Magazine consistently ranks SAP Center as a top venue in the United States and the world in terms of non-sports tickets sold.

SAP Center opened its doors on September 7, 1993 when the Ringling Brothers & Barnum and Bailey Circus performed the first event in the brand new, state-of-the-art facility. Since that time, the venue has hosted many of the biggest names in the entertainment industry including Harry Styles, Katy Perry, Paul McCartney, Adele, The Rolling Stones, Bruce Springsteen, Barbra Streisand, Bob Dylan, Beyonce, Elton John, Garth Brooks, Jay-Z, The Three Tenors (Placido Domingo, Luciano Pavarotti and Jose Carreras), Madonna, Lady Gaga, Prince, Los Tigres Del Norte, The Eagles and U2.

SAP Center has also hosted several world-class, championship sporting events, including: the 2016 Stanley Cup Final; the NHL's All-Star Weekend twice, in January 1997 and January 2019; two Olympic Trials for USA Gymnastics (2012 & 2016) and the U.S. Gymnastics Championships in 2023; four NCAA Men's Division I Basketball Western Regional Finals (1997, 2002, 2007, & 2017); 1999 NCAA Division I Women's Final Four; and four U.S. Figure Skating Championships (1996, 2012, 2018, and 2023).

TECH CU ARENA

HOME OF THE SAN JOSE BARRACUDA; LOCATED INSIDE OF SHARKS ICE SAN JOSE

Tech CU Arena is the crown jewel of a 200,000 square foot expansion of the Sharks Ice at San Jose public skating facility and the new home of the San Jose Barracuda.

The multi-level, multi-purpose arena, includes locker rooms, training facilities and executive office space for the Barracuda, an in-arena video board and LED display, 12 premium suites, eight loge boxes, one theatre suite, a 46-person party deck, three bar locations including one at ice level, seven food concession stations, a press room and press box and two team merchandise stores.

In January 2020, the San Jose City Council unanimously approved the 200,000 square-foot expansion of Sharks Ice at San Jose, adding two additional recreational ice sheets to the facility, increasing the building's total ice sheets to six and doubling the facility's footprint to just under 400,000 square feet. The expansion makes Sharks Ice at San Jose the largest ice facility in the United States and is LEED-certified Silver with a focus on green building initiatives including Bloom Energy cells, high efficiency LED lighting, electric Zamboni, and electric vehicle chargers.

Sharks Ice at San Jose is owned by the City of San Jose and has been managed and operated by Sharks Ice LLC, a subsidiary of Sharks Sports & Entertainment, since 1998. Since that time, the facility has seen two previous large-scale expansions. In 1999, a third ice sheet and a training facility for the San Jose Sharks was completed. In 2005, a fourth ice sheet and Stanley's Sports Bar was added.

In conjunction with Sharks Ice at San Jose, Sharks Ice LLC manages and operates two other ice facilities in the Bay Area: Sharks Ice at Fremont and the Oakland Ice Center, operated by Sharks Ice.

The Sharks Ice family of rinks serves a diverse variety of ice sports including ice hockey, figure skating, broomball, curling, speed skating, ice dancing and public skating. The Sharks Ice umbrella is home to the largest adult hockey league in the United States, boasting more than 4,300 participants.

In addition to serving as the official practice and training facility for the Sharks and the Barracuda, Sharks Ice at San Jose also hosts the San Jose State University Spartans hockey team, the Jr. Sharks hockey program, the Peninsula Figure Skating Club and the Silicon Valley Curling Club.

SAN JOSE JR. SHARKS

The San Jose Jr. Sharks is a youth hockey club offering competitive teams for boys (ages 9-18), girls (ages 8-19) for long-term development, not short-term success. Travel AA, A and B programs offer a balance of skill development and competition, with a solid practice program and the opportunity to participate in a highly competitive league throughout Northern California.

Through the programs offered, several players have developed and honed their skills at the youth level and eventually went on to make their debuts in the National Hockey League. Two players who are Jr. Sharks alumni have also played in an NHL game for the San Jose Sharks: forward Matt Tennyson and goaltender Devin Cooley. Former Jr. Sharks Reese Laubach was selected by San Jose in the 2022 NHL Draft.

The 2024 NHL Draft was a milestone event for the Jr. Sharks program, with alumnus Macklin Celebrini being selected first overall by San Jose. The centerman, who went on to compete for the Shattuck St. Mary's high school program, USHL Chicago Steel and Boston University prior to being selected, registered 101 points with 54 goals over 61 games with the Jr. Sharks 14U AAA squad in 2019-20.

Extending this strong foundation Tier I "AAA" teams gain the highest possible developmental and competitive learning experience, by playing at a State, Regional and National level, developing top-tier players who are capable of attaining their future hockey goals. The Girls programs works to recruit, retain, and develop their player pool and have the teams compete at local, state, and nationals levels. The Jr. Sharks goal is to create opportunities for female hockey players at the national and collegiate levels.

ACCESS:
The San Jose Sharks organization and Media Relations Department strive to make its players, coaches, management and other personnel available in a timely and responsible fashion to all accredited members of the media.

PRACTICE LOCATIONS:
Nearly all Sharks practices and morning skates will be held at Sharks Ice at San Jose, located at 1500 S. 10th Street (at the intersection of Alma). The Sharks skate on the facility's Sharks Rink, which is located at the far right side of the facility. The Sharks Rink has a media workroom accessible via the staircase at the top of the bleachers. All media are required to enter the media workroom through the entrance at the top of the bleachers. No one will be allowed entry through the Sharks offices. In addition, ALL media members wishing to cover the Sharks practices must either display a Sharks full season credential, or check in with the Sharks Media Relations Department upon arrival to receive a day pass. No media member without a pass will be granted access to the Sharks dressing rooms without displaying proper accreditation.

Enhanced security measures at the Sharks Rink of Sharks Ice at San Jose will include guests being subject to search that will include the use of electronic devices and metal detectors, pat-downs and inspection of all bags. Individuals attending upcoming Sharks practices, including working staff and media, should be aware of the following policies:

*All guests attending Sharks practices must enter through the connector at the front of the building by the Sharks Rink.
*All guests are subject to metal detector screening, electronic wand screening and pat-down searches.
*All bags are subject to search.

These enhanced security measures are mandated by the National Hockey League and are in accordance with procedures already in place at NHL venues throughout the United States and Canada.

Visiting teams may skate at Sharks Ice at San Jose or at SAP Center, depending on the availability of SAP Center. Visiting team typically practice on the North or East rink when skating at Sharks Ice.

The schedule posted on the Sharks Ice website is subject to change. Please email a representative of the media relations department to have up to the date information regarding the time and location of any Sharks practices or morning skates.

INTERNET ACCESS:
Our press box and press room have complimentary wireless and hardwired Ethernet high-speed Internet ports (for hardwire access, use Ethernet chords in press box, orange-colored ports in the press room). For wireless access, simply choose the SAP_Center_Media network and apply the password. Upon entering the credentials, you may need to open an internet browser to accept the terms and conditions, prior to being connected.

If you have any problems gaining access to the network, please contact a member of the Media Relations Staff.

MEDIA ENTRANCE:
The media entrance to SAP Center is through the 24-hour Security Entrance, located at the rear of SAP Center (on the corner of St. John Street and Montgomery Street), next to but not in the gated loading ramp.

As a reminder, the SAP Center Bag Policy will apply to all patrons for all Sharks home games. The policy requires that all bags entering SAP Center be no larger than 5" x 9" x 2". All bags and individuals entering the building are still subject to be screened and searched by building security personnel. All other venue security measures remain in place including the use of metal detectors at building entrances. Additional information about the bag policy, security policies, and prohibited items can be found at **https://www.sapcenter.com/plan-your-visit/bagpolicy**.

Please note, media attending the game WILL be allowed to carry their working laptop/recorder/all necessary items for their position in a larger bag for work purposes only

CREDENTIALS:
ALL MEDIA MUST WEAR A VALID CREDENTIAL WHEN ATTENDING ANY SHARKS PRACTICE, MORNING SKATE OR GAME AT SHARKS ICE AT SAN JOSE OR SAP CENTER AT SAN JOSE

Credentials will be delivered to the visiting team's media relations representative upon their arrival at SAP Center or can be picked up directly by requesting from one of the Sharks media relations staffers.

Media credentials will be placed at the media entrance (24-hour Security Entrance) shortly after delivery of visiting team credentials. Please contact Brandon Weiss (408-977-4761; bweiss@sjsharks.com) or Sergio Almodovar (408-999-6839; salmodovar@sjsharks.com) should credential requests change or special arrangements need to be made. Please be prepared for and cooperate with the thorough inspection of all bags, cases and packages.

PARKING:
Anyone requesting parking privileges should contact Brandon Weiss (408-977-4761; bweiss@sjsharks.com). Media parking is in Lots A, B & C which are behind SAP Center. Once confirmed that you have been added to the SAP Center media parking list, just give your name to the gate attendant at either the Santa Clara Street or Julian Avenue entrances.

Parking has become extremely limited due to numerous city projects requiring the use of former employee parking. Therefore, parking space is extremely limited and may not be granted given the amount of requests received each game.

GAME NOTES/STATISTICS/NEWS CLIPPINGS:
Limited Printing and Website Update: The Sharks Media Regulations Department will not be regularly printing materials for media. Game notes, league stats, line sheets, Sharks stats and more can now be found on the Sharks digital press box web portal here: https://www.nhl.com/sharks/multimedia/media-resources. The website will be maintained throughout the regular season and will be updated by noon PT on each game day. Intermission game sheets can be found linked through nhl.com or the Sharks web portal.

MEDIA REGULATIONS

MORNING SKATE MEDIA ACCESS:
The Sharks, on most mornings, will go on the ice between 10 and 10:30 a.m. If there are specific players you need to speak with, we ask that you arrive NO LATER than 10 a.m. so that we can ensure they are available in the event the team has an optional skate. If you arrive after 10 a.m., we cannot guarantee that all players will still be in attendance if the schedule happens to adjust at the last minute.

The Sharks dressing room will open shortly after the first player leaves the ice from the morning skate. Typically, Sharks Head Coach Ryan Warsofsky will address the media following all player access. In the event of an optional skate, Warsofsky may speak BEFORE the Sharks morning skate.

PRE-GAME/IN-GAME TELEVISION INTERVIEW REQUESTS:
All requests for a Sharks pre-tape or intermission interview, must be made before the conclusion of the Sharks morning skate so that we can ensure the availability of your guest. Your requests can be made in person at Sharks Ice or through Kyle Stuetzel at kstuetzel@sjsharks.com. We encourage all requests to be made prior to morning skate in the event of an optional skate.

PREGAME MEDIA ACCESS:
Sharks players and coaches may be made available to credentialed members of the media two-and-a-half hours before game time, at SAP Center if the team does not hold a morning skate or becomes optional. In the event the team does not hold a morning skate, please email a media relations representative as early as possible for any requests ahead of the game. Players may be made available earlier than the two-and-a-half hours prior.

POST-GAME MEDIA ACCESS:
The Sharks dressing room, in accordance with NHL policies, will open following the conclusion of the game. To reach the Sharks dressing room from the press box, proceed down the North elevator to the 1st floor. Upon exiting, walk down the hallway and turn right down the main corridor until you reach the main entrance to the Sharks dressing room (large wooden door).

To access the visitor's dressing room, proceed down the North elevator to the 1st floor. Upon exiting, walk down the hallway and turn left. An SAP Center staff member will provide direction to on how to reach the visitor's dressing room entrance.

CELLPHONE POLICY:
Per NHL policy, there is absolutely no use of a cellphone to record video, place a call or take photographs inside the Sharks locker room. A cellphone used as an audio recording device is allowed. If a member of the media violates this policy, you will be asked to leave the locker room immediately and access to credentials moving forward during the season will be reviewed. If you have any questions, please contact one of the Sharks media relations staff members.

OFFICIALS ROOM:
The officials' locker room is off-limits to the media. Should a comment or interpretation from the game's referee or NHL supervisor be needed, contact a member of the Sharks Media Relations Department and a pool reporter may be assigned.

PHOTOGRAPHERS:
Only those photographers on assignment from a recognized, approved media outlet will be allowed access to designated photography locations at rink level and in overhead positions. Priority will be given to local affiliates, wire service photographers and local TV crews and at least one ice-level photography position will be reserved for Sharks team photographers. Additional photography positions are determined on a priority basis as determined by the Sharks Media Relations staff and the team photographer. In cases of increased photographer (i.e. playoffs) attendance, positions will be assigned by the Sharks Media Relations Department. In all cases, photographers should check in with a media relations representative in the press room before game time. Because of very limited photography locations and NHL Images regulations, it is not possible to accommodate freelance photographers.

PRE-GAME MEAL:
For a $10 fee, a media meal will be served in the Press Room beginning two and a half hours prior to game time. Cash or card is accepted. The Press Room is located on the North side of SAP Center on Level 1, near the hallway to the visitor's dressing room. Dining room usage is limited to those presenting valid Sharks, NHL Team Management passes, or media/photographer credentials. It is impossible to accommodate family members, friends, guests or others. Any abuse of dining room privileges may cause forfeiture of a media pass. Limited refreshments are also available during intermissions as well as in the press box during games.

PRESS BOX/BROADCAST LOCATIONS:
The press box and broadcast locations at SAP Center can be accessed by taking the North elevator (just outside the Press Room). Take the elevator to the 4th floor. Upon exiting, make an immediate left u-turn through the white double doors. Open the single door on the right and proceed up two short flights of stairs, where you will enter the press box. Media seating charts will be posted in the press box.

TV VIEWING/GAME REPLAYS:
A high-definition television should be viewable from any seat in the press box. HD TV's are also available to monitor the game in the Press Room should media choose to work there in the 3rd period. Anyone wishing to view a replay of an event during the game should visit the Sharks Media Relations Staff at center ice in the press box.

POST-GAME INFORMATION:
Following the game, final copies of the "Game Summary" and "Event Summary" will be made available on the Sharks digital press box web portal. We will also send you via e-mail our Postgame Recap document recapping key details/notes from the game, along with links to recordings from home and visiting team players and coaches. Requests to be added to this email list can be made in person at SAP Center or through Brandon Weiss at bweiss@sjsharks.com or Sergio Almodovar (salmodovar@sjsharks.com).

If you have any questions or need further assistance, please don't hesitate to contact us.

Thanks and we look forward to working with you!
